PAC Grants

Professional Activity Committee

Erez Petrank & Ben Zorn

PAC Awards attempt to cover:

- Coach travel
- Shared accommodation
- Conference registration
- A free membership to SIGPLAN for one year

PAC awards selection is geared towards excellence:

- Given the limited budget, we prioritize:
- Major conferences,
- First, or presenting authors,
- Those who have not yet been supported this year, etc.

This year we had an additional generous support from NSF for POPL & PLDI.

Travel awards for:

- Students participating in SIGPLAN activities
- For SIGPLAN members
 - traveling very long distance, living in a poor country
 - needing travel assistance for care takers or children
 - child care

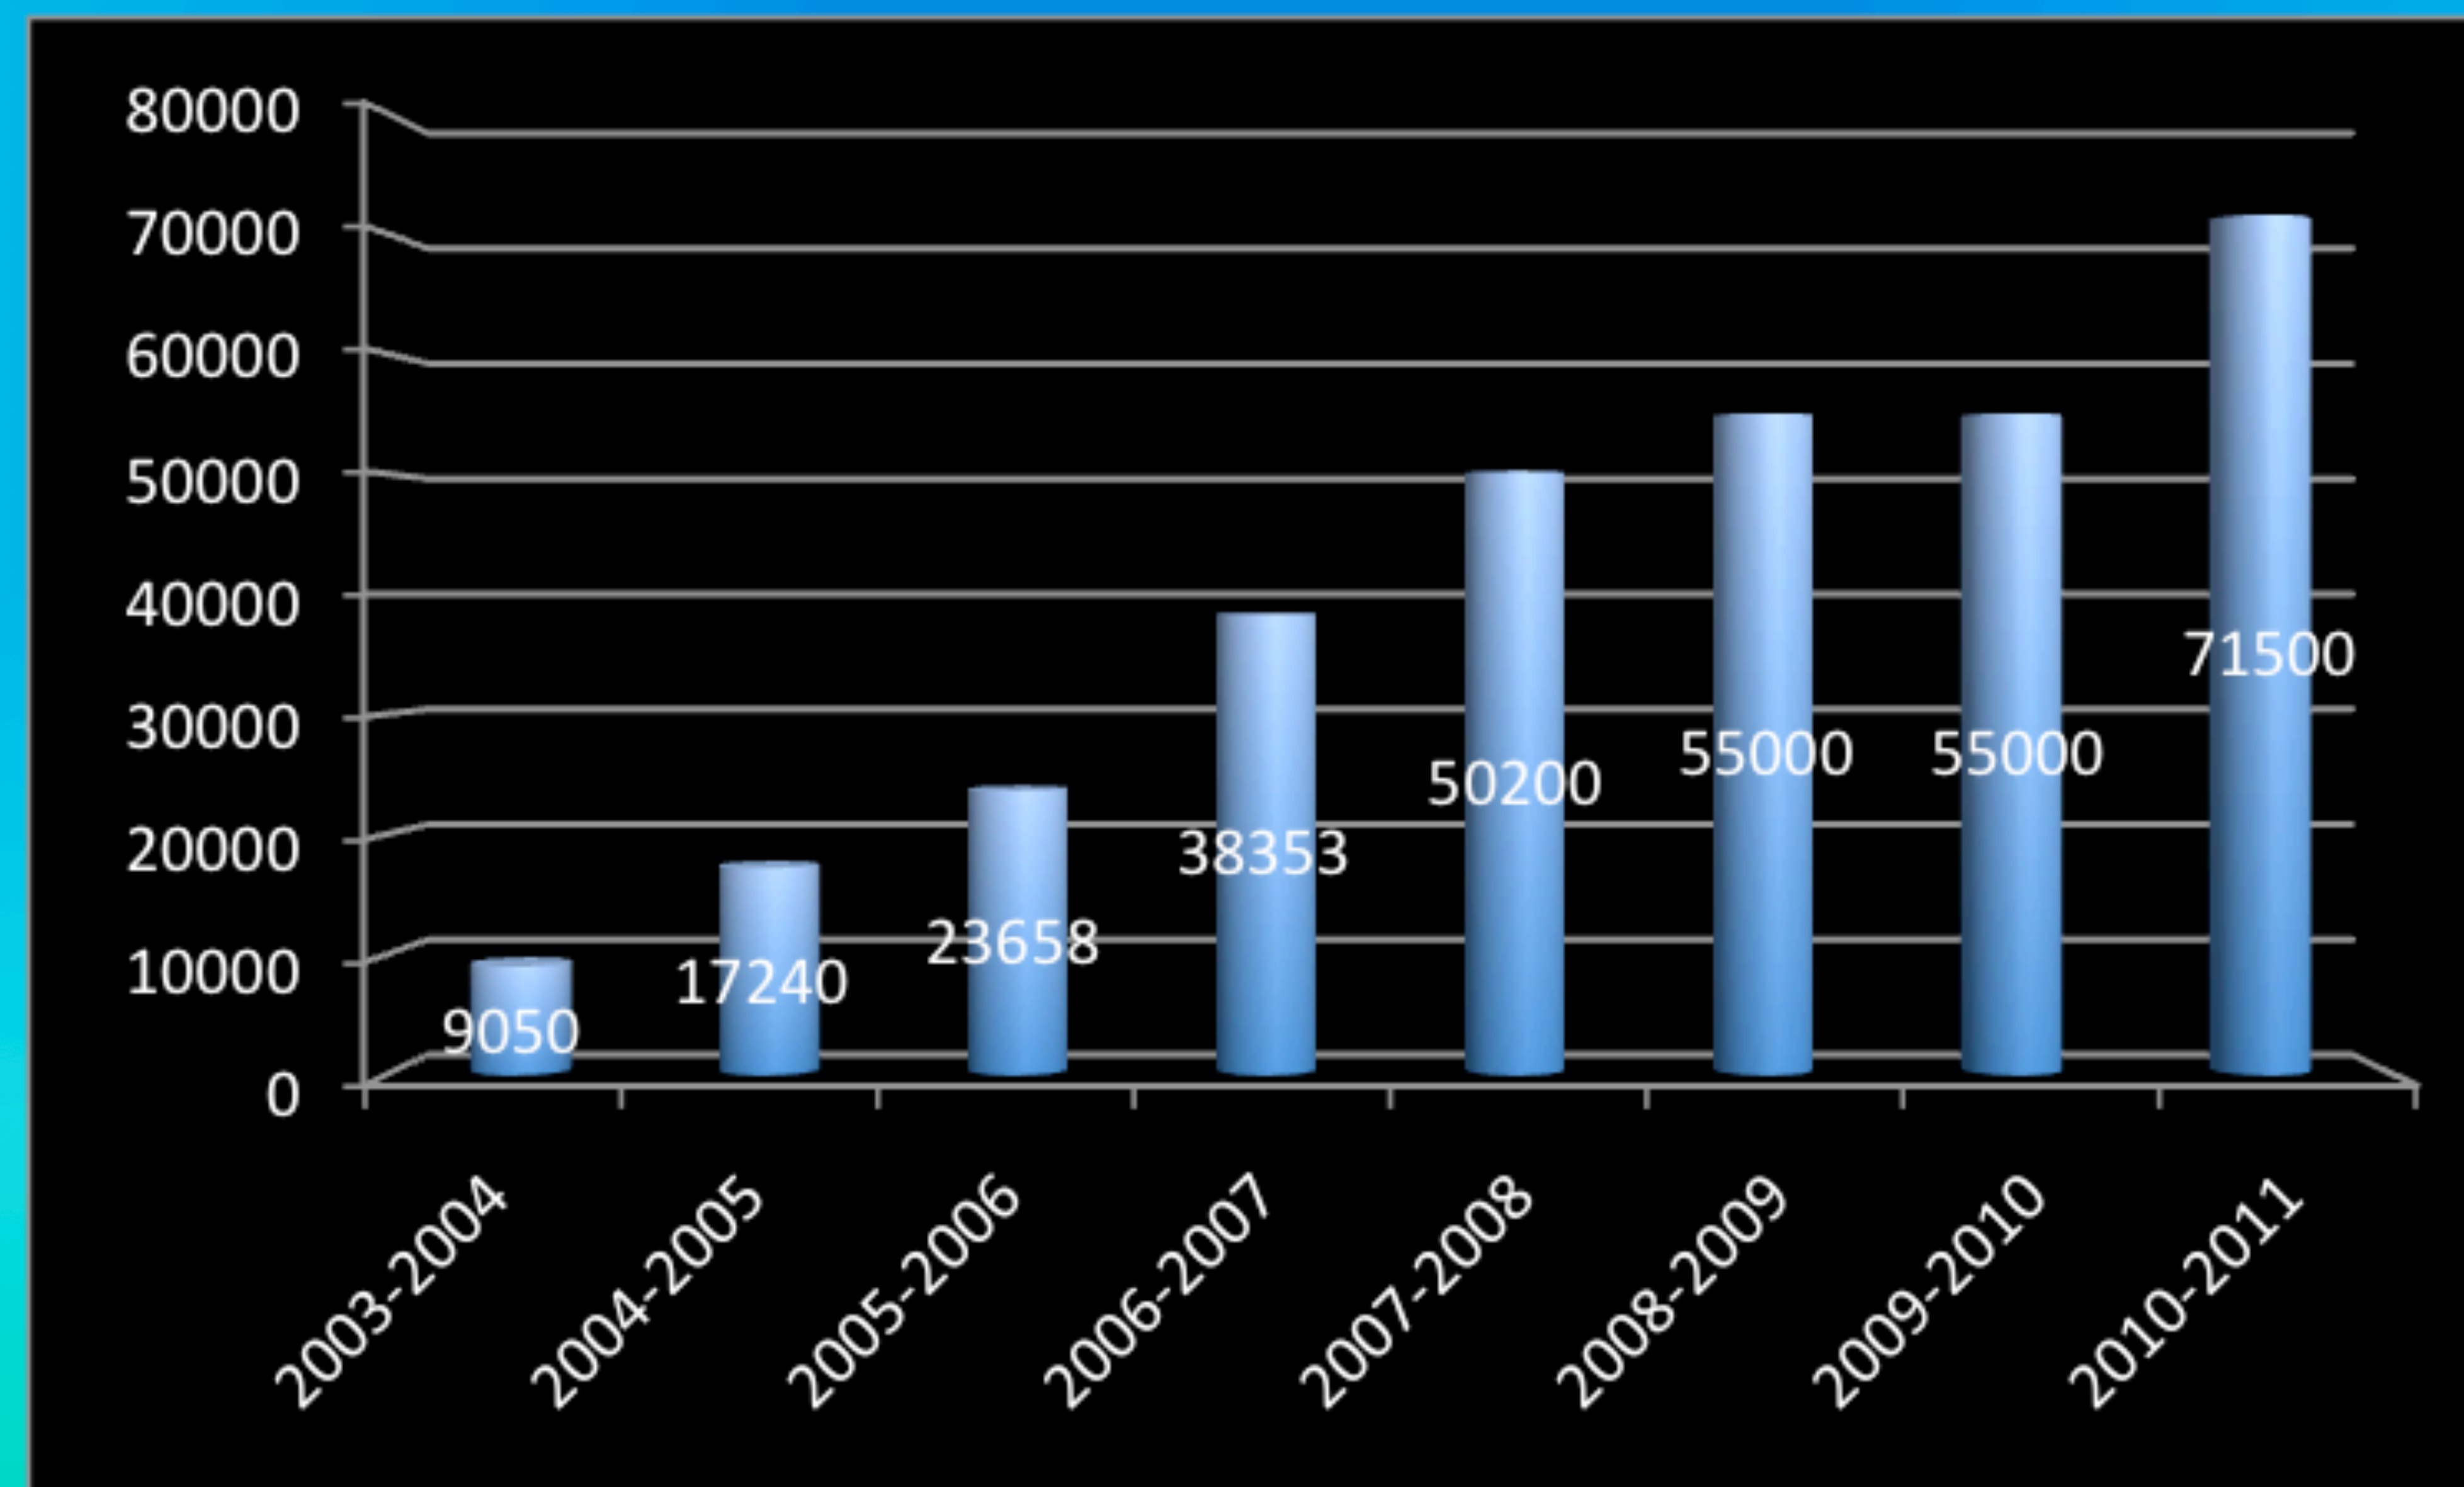

We appreciate it if:

- You keep the costs as low as possible,
- Your advisor is a SIGPLAN member,
- Your institution shares part of the costs,
- You only request support for one event per year.
